C

Introduction

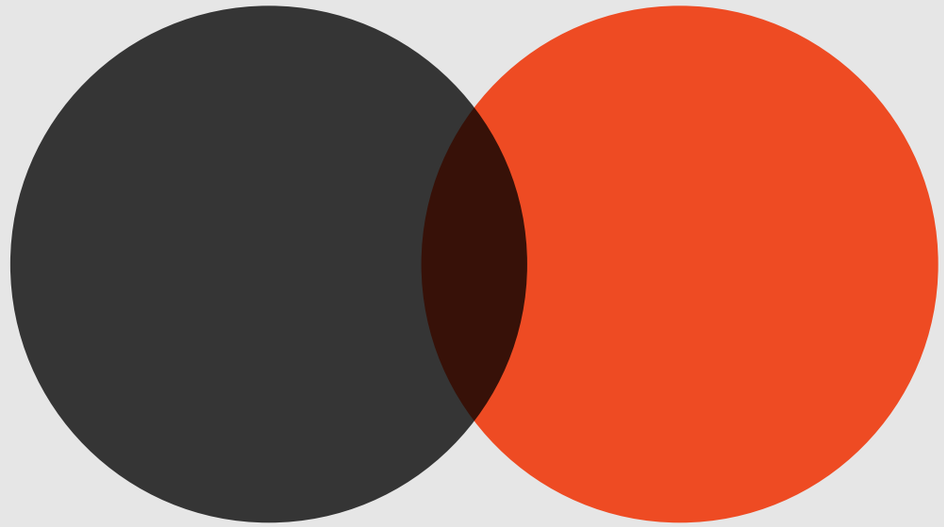

We develop beautifully crafted digital products for our clients and customers that promote, educate and delight.

We think we've got one of the best teams in the UK. As a result, we sit on a number of rosters, including **Nestlé**, **The British Library**, **Microsoft**, **British Airways** and the **BBC's Digital Design**.

C

04

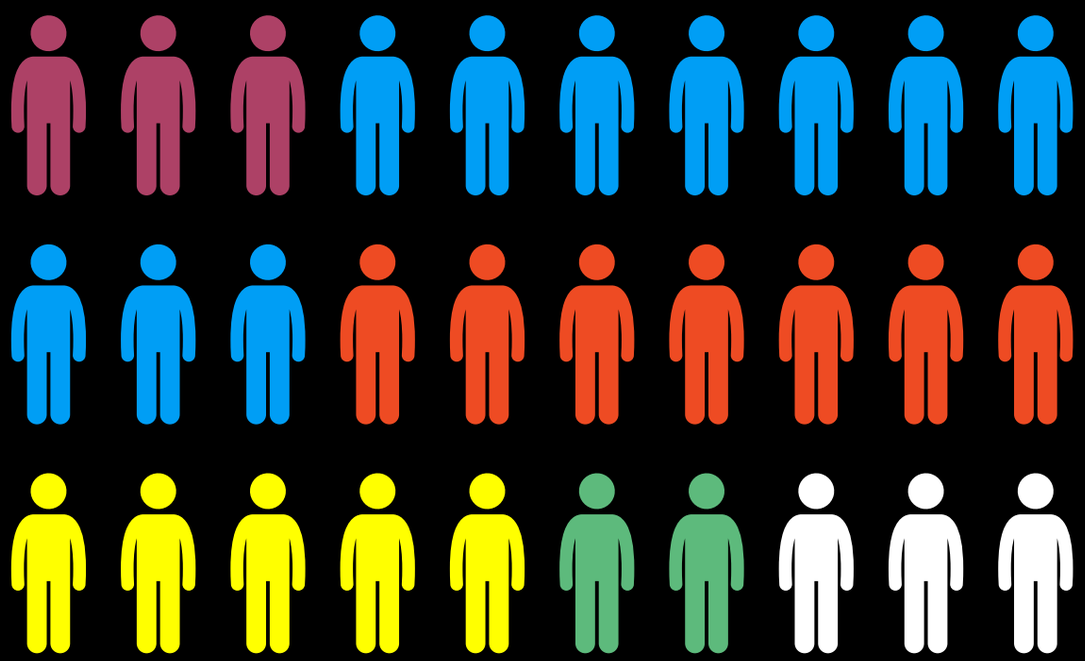

Codegent was founded in 2004 by David Hart,
Mark McDermott and Luke Hubbard.

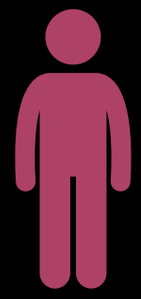

2013

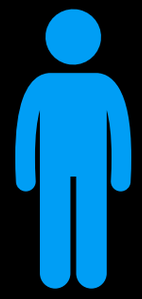

Codegent and Thin Martian join forces,
via an acquisition by Codegent.

Subject Guides: Local Government in the UK

BBC Political Editor Nick Robinson and correspondents Norman Smith, Sean Curran and Paul Rowley give their tips and guidance on reporting the politics of the UK parliament.

About the College

Journalism is about discovery - and there's a wealth of learning material on here to discover. The principle is very simple: this is a learning site for BBC journalists, by BBC journalists.

We all know that, as journalists, we learn best from other journalists we respect and admire.

Sam's top tips

Sam has an assignment to organise the radio coverage of an event at Buckingham Palace in London. She'll have to serve a number of outlets - all with different requirements and deadlines. At the same time, she'll need to make sure she's across the story; the material that other parts of the BBC are gathering, both to avoid duplication and to avoid missing anything. And she'll stay in touch with newsrooms, correspondents and
